Only a dancing girl,
With an unromantic style,
With borrowed color and curl,
With fixed, mechanical smile,
With many a hackneyed wile,
With marraymatical libs. With ungrammatical lips, And corns that mar her trips.

Hung from the "fles" in air She acts a paipable lie; She's as little a fairy there As unpoetical !! As unpoched in the Astronomy of the Astr

No airy fuiry she, As she hangs in arsenic green, From a highly impossible tree in a highly impossible scene (Herself not over clean,) For fays don't suffer, I'm told,

And stately dames that bring
Their daughters there to see,
Pronounce the "dancing thing"
No better than she should be,
With her skirt at her shameful knee,
And her painted, tainted phiz:
Ah, matron, which of us is?

(And, in sooth, it oft occurs
That while these matrons sigh,
Their dresses are lower than hers,
And sometimes half as high;
And their hair is the hair they buy, And they use their glasses, too in a way she'd blush to do.)

But change her gold and green For a coarse merino gown, And see her upon the scene Of her home, when coaxing down Her drunken father's frown, I have gould developed they In his squalid, cheerless den: She's a fairy truly, then!

NEW YORK, November 6.—THE MARKET.—In our last report the market closed dull at 25c for middling uplands. Saturday there was an active demand and prices advanced ½; sales 334 at 26½c. Monday, prices were stronger on account of the small offerings and better foreign news; sales 257 at 26½c. Turesday, the market was quiet and unchanged; sales 1766. Wednesday, the market was dull and easter sales 2226 at 26½c. Thursday, there was more doing for export, but at easter rates; sales 3760 at 25c. Yesterday, the market closed at 25½c for middling and 25½c for low middling, at which prices there was a fair business done; sales 3062 bales.

Early in the week prices advanced to 20½c, but since, under the decline in goid and large recepts, they fell off to 25½c for middling. In Liverpool, a large business has been done at an advance of ½d on uplands on the week. The cause of the movement in Liverpool may be attributed to a larger demand for goods, the stocks of which are now comparatively small. The excess in receipts is now 125,521 bales, but the stock is only 37,207 bales more than at this time last year. Exporters have taken 74,409 bales more, and our spinners 18,775 bales less than last year from the ports. The rivers tributary to New Orleans and Mobile are now up, on account of the heavy rains last week, and the receipts at those ports are larger in consequence. Week ending November 5, 1869.

Drugs, Chemicals, &t. E CAREFUL WHAT MEDICINES YOU TAKE.

When you are exhausted by overwork of head or hand, and feel the need of something invigorating, don't drink whiskey or any Intexteating thing, whether under the name of litters or otherwise. Such articles give just as much strength to your weary body and mind as the whip gives to the jaded horse, and no more. Alcoholic stimulants are injurious to nerve health, and are always followed by depressing reaction.

DODD'S NERVINE AND INVIGORATOR

Is a Tonic and gentic stimulant, which is not attended by reaction. What it gains for you it maintains. When it refreshes body or mind, it refreshes with natural strength that remes to stay. We are not recommending tectotalism in the interest of any faction; but long and extended observation teaches us that he who resorts to the bottle for rest or recuperation, will find, as he keeps at it, that he is kindling a fire in his hones which will consume like the flames of perdition. Turn from it. Take a tonic that will refresh and not desiroy. DODIVS NERVINE is for sale by all Druggists, Price One dollar. See book of certificates that accompanies each bottle. iune25 7mos
